Our Mission

To develop enduring relationships with our customers by providing innovative power conversion products supported by the best customer service in the industry.

Samlex America has manufactured and distributed power supply products to more than 90 countries worldwide since 1991. Innovative product designs, strict quality control, and responsible after sales service provide customers with high quality power conversion products at extremely competitive prices.

OEM services are available to companies that require high quality, low cost alternatives to manufacturing finished goods in their own facilities.

Samlex can assist in all areas of product development from initial design to final assembly and packaging.

You will work directly with our OEM team and develop a plan to have your product manufactured to your precise specifications or to develop cost saving strategies by modifying your existing product for mass production in one of our assembly factories.

Warranty

Products manufactured by Samlex America, Inc. (the "Warrantor") are warranted to be free from defects in workmanship and materials under normal use and service. This warranty is in effect from the date of purchase by the user (the "Purchaser"). All new items purchased have a minimum 2 year warranty. For a warranty claim, please contact Samlex America to obtain a Return Authorization Number. The defective part or unit should be returned at the Purchaser's expense to the authorized location: normally this is the place of purchase. A written statement describing the nature of the defect, the date of purchase, the place of purchase, and the Purchaser's name, address and telephone number should be included. The equipment will be repaired or replaced at the Warrantor's option without charge, and returned to the Purchaser at the Warrantor's expense. No refund of the purchase price will be granted to the Purchaser, unless the Warrantor is unable to remedy the defect after having a reasonable number of opportunities to do so. No other express warranty is hereby given and there are no warranties which extend beyond those described herein. This warranty is expressly in lieu of any other expressed or implied warranties, including any implied warranty of merchantability, fitness. There shall be no responsibility or liability whatsoever on the part of the Warrantor or its employees and representatives for injury to any persons, or damage to person or persons, or damage to property, or loss of income or profit, or any other consequences. The Warrantor assumes no liability for incidental or consequential damages of any kind.
